

MERITOR® DRIVESHAFT ON DEMAND PROGRAM (DOD)

Driveshafts. On Demand.

Vehicle sidelined due to a driveline repair? That's time and money you can't afford to lose. The Meritor Driveshaft on Demand (DOD) program will help get the exact driveshaft you need quickly and easily while keeping downtime to a minimum. In just three simple steps, you can order the right driveshaft for your application and get back on the road as soon as possible. Maximum uptime is crucial. Count on the Meritor Driveshaft on Demand program to help your operation stay productive.

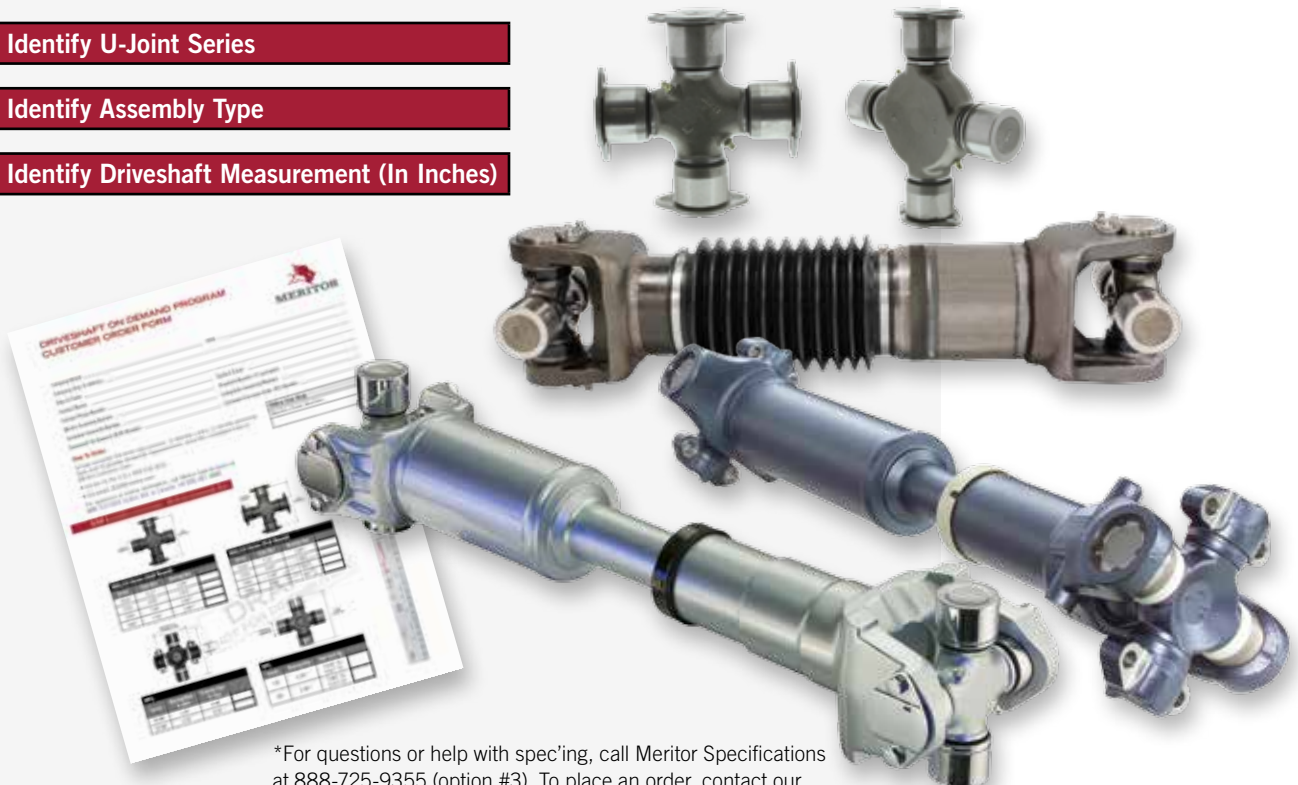

Stay Productive.

Utilizing the Meritor DOD specifications form*, three simple steps is all it takes to spec your driveshaft through the Meritor Driveshaft on Demand program.

Step 1 Identify U-Joint Series

Step 2 Identify Assembly Type

Step 3 Identify Driveshaft Measurement (In Inches)

*For questions or help with spec'ing, call Meritor Specifications at 888-725-9355 (option #3). To place an order, contact our Customer Care team at 888-725-9355 or email at CustCareCntr.Florence@meritor.com. In Canada, call 800-387-3889 or email CustomerService.Brampton@meritor.com.
